

## **Barbara Krantz, Beamstopr**

### ***Bio***

Barbara Krantz is the President of Beamstopr Laser Barriers, Inc. Beamstopr was incorporated in 1991. They manufacture laser safety enclosures, screens, curtains, window covers, laser safety rooms and laser safety tents. Most recently they are offering an anti-microbial additive for medical, and dental offices and hospitals. Barbara and her staff take great pride in educating people in the need for laser safety awareness.
